Finance Manager | £60,000 – £65,000 | FMCG | West London | Permanent

Description

Our client, a leading FMCG company, is seeking a **dynamic and innovative Finance Manager** to join their high-performance team. As the financial mastermind, you'll play a crucial role in shaping the company's future. Imagine a FMCG company that's not just selling products but creating a legacy. That's our client! They're a trendsetting force in the industry, committed to excellence and innovation.

Responsibilities

- **Financial Strategy:** Be the architect of our client's financial blueprint, ensuring their company's growth and profitability.
- **Data-Driven Decisions:** Use data to fuel your decision-making, identifying opportunities and mitigating risks.
- **Team Leadership:** Build a high-performing finance team that drives results and fosters a collaborative culture.
- **Financial Reporting:** Provide clear and concise financial reports that inform strategic decisions.

Requirements

- **FMCG Expertise:** You're a seasoned finance professional with a deep understanding of the FMCG industry.
- **Analytical Skills:** Your mind is a financial puzzle solver, capable of unravelling complex data.
- **Leadership Skills:** You're a natural leader who can inspire and motivate your team.
- **Strategic Thinking:** You have a knack for big-picture thinking and can develop winning financial strategies.

Job Benefits

- **Competitive Compensation:** You'll be rewarded for your exceptional contributions with a competitive salary and bonus.
- **Perks and Benefits:** Enjoy a range of perks, including healthcare, retirement savings, and paid time off.
- **Growth Opportunities:** Your career will flourish with opportunities for professional development and advancement.
- **Collaborative Culture:** Join a team of passionate individuals who are committed to excellence.
